

## Methodology

### How to describe a map in english

#### To introduce a map

- Different kind of maps : a shade map (une carte par aire) / a dot map (carte par points) / a cartogram (une carte par anamorphose)...
- The elements of the map : scale / key (légende) / the figures

#### To comment a map

- the map shows...
- On a local/regional/national/global scale, we can see...
- North/East/West/South
- Northwards to (vers le nord)... eastwards, westwards, southwards
- In the North East... in the northern part of...
- On the continent / on the coast...
- We learn that the land / country / continent is inhabited / populated by...
